

EPPM 2014, Port Elizabeth, South Africa

# Engineering, Project, and Production Management - Past, Now, and Future

Chien-Ho Ko

National Pingtung University of Science and Technology, Taiwan  
President, EPPM-Association

# Welcome

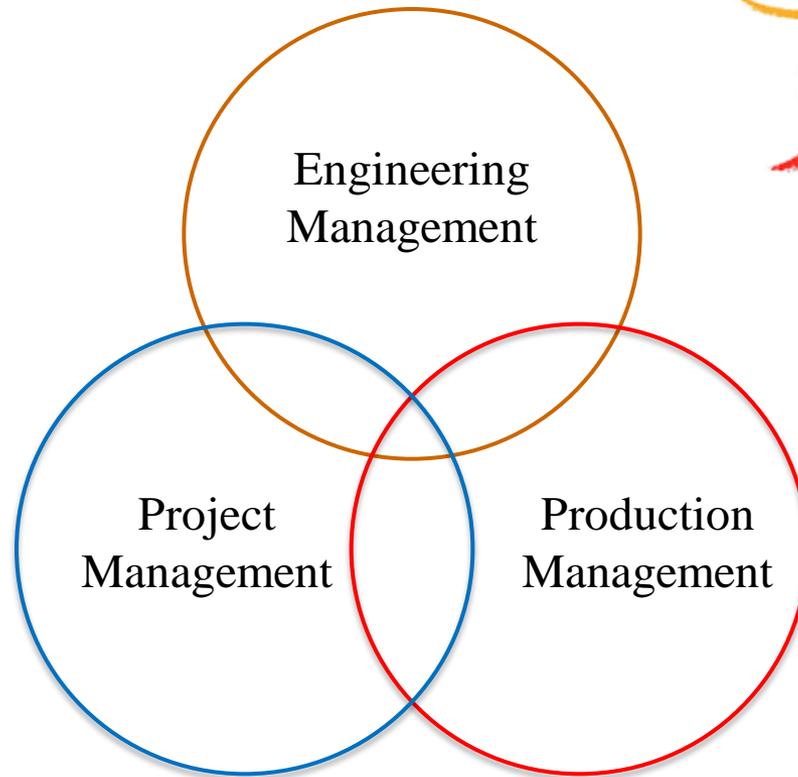

- Participants from all over the world
- Conference Chair: John Smallwood
- Vice-President: Kassim Gidado
- Conference Program: 3 days
- Scientific Chair: Krieng
- Business Meeting

# Our Focus

- Overlap
- Origin

# Our Name

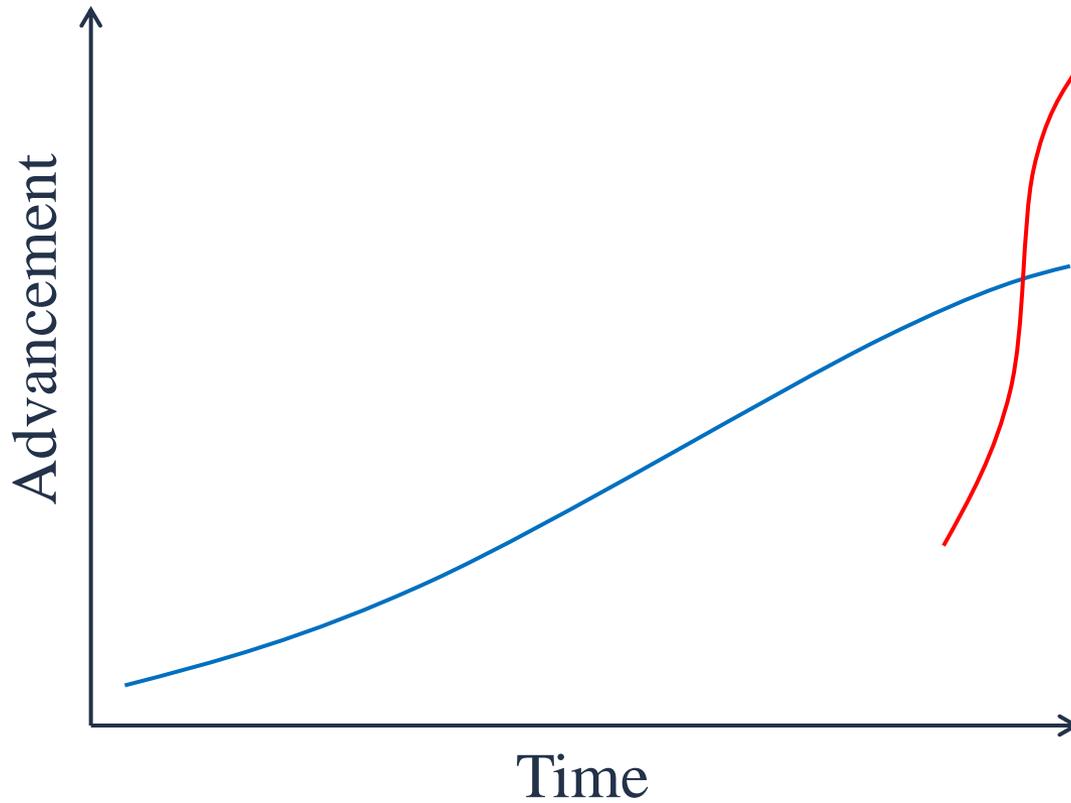

- Engineering, Project, and Production Management
- Don't forget the series comma!

# Our Ideas

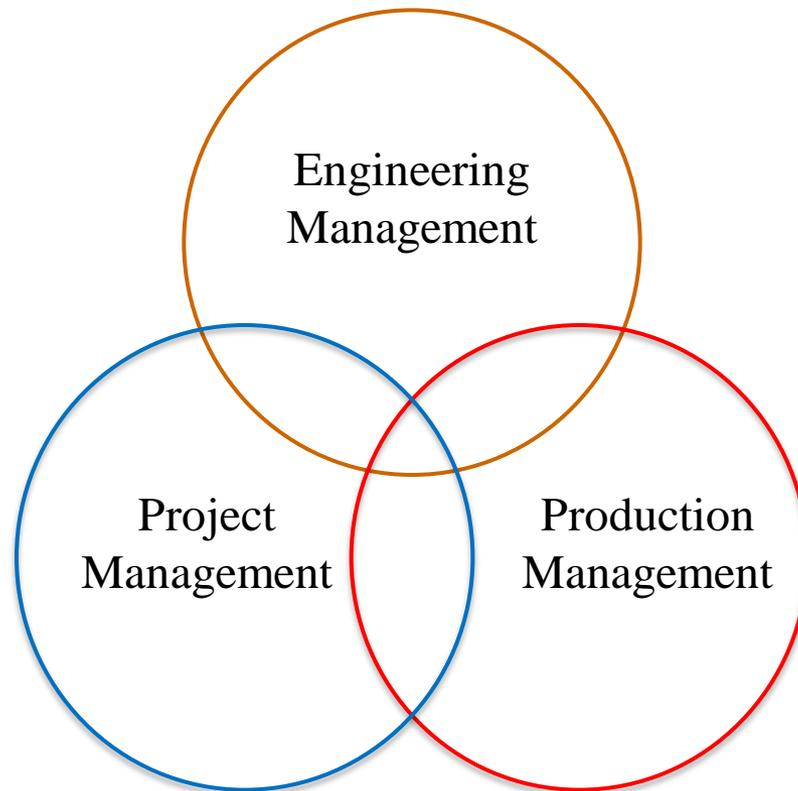

- Learn from manufacturing

# Our Goal

- To advance the cross-disciplinary sciences in these three fields.

# Journey Started

- From conference.
- Cannot find a conference to achieve the goal.
- We don't have general production management.
- Unique platform intends to inspire new thinking by merging and/or combining different approaches from diverse fields.

# EPPM-Conference

- 2010, Taiwan, David Chua and Thanwadee Chinda

# EPPM-Conference

- 2011, Singapore, David Chua

# EPPM-Conference

- 2012, United Kingdom, Kassim Gidado

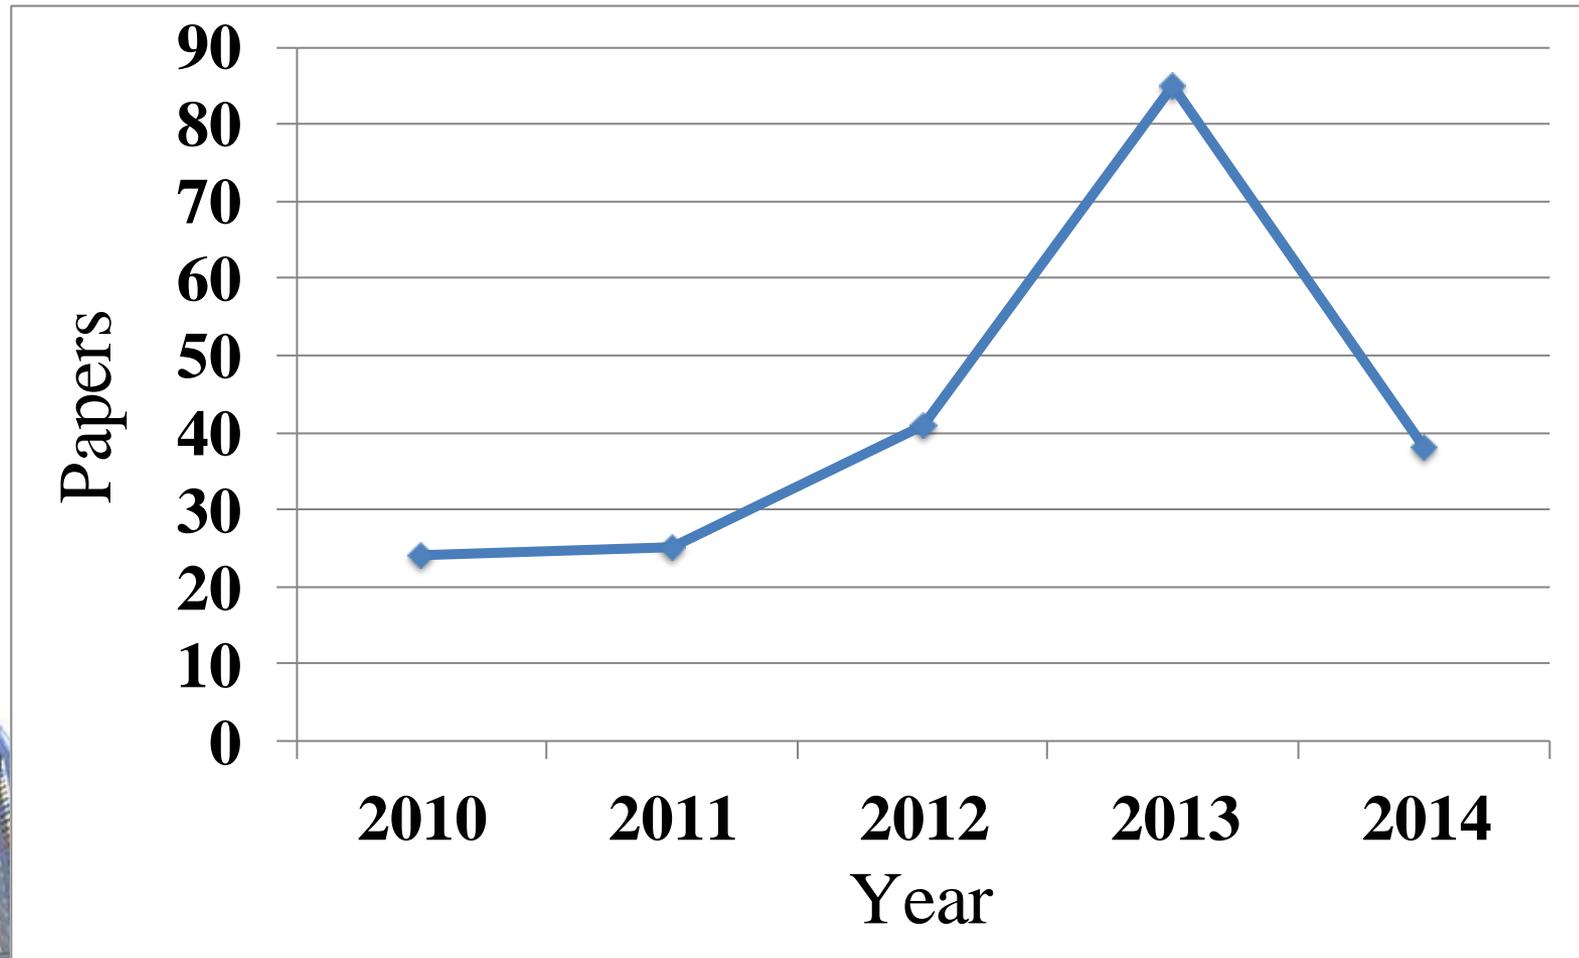

# EPPM-Conference

- 2013, Bangkok, Thailand

# EPPM-Conference

# EPPM-Journal

- To advance the cross-disciplinary sciences in these three fields in a higher level.
- Established in 2011 publishing original research
- 2 issues a year
- Papers submitted from 16+ countries.
- Well-known Editorial Board Members
- Double-blind review within 8 weeks
- Free to access and publish
- Rejection rate 50%
- DOAJ, EBSCO, Google Scholar, ProQuest

# EPPM-Association

- To integrate EPPM-Conference and EPPM-Journal
- Established in 2012
- Members from the globe
- Based in Pingtung, Taiwan
- Term of the officers is 2 years
- Welcome to our business meeting

# Future

- Conference
  - Every corner in the world
  - CIB encouraged, SCOPUS
- Journal
  - Keep upholding the quality
  - Be listed in the rank of scientific journals
- Association
  - Recruit ambitious researchers and practitioners
  - Build a strong foundation for long term development (friendship, consensus, traditions)
